Volumes 21 & 22: 1994-1995

Alphabetical by Author

Bader, S.A. Seize the day. [Journal Article] 1994;21(4):8-9.

Benschoter, R.A. Can the biomedical communications unit survive? [Journal Article] 1994;21(1):7-9.

Boutwell, W.B. Theory-based approaches for improving biomedical communications. [Journal Article]1994; 21 (1):2-6.

Brown, J.F. (see Evans, L.A.)

Cody, J. Painting anatomy on anatomy. [Journal Article] 1995;22(2):14-7.

Daugherty, J. (see Mount, K.N.)

Detweiler, M. (see Pomeroy, E.)

Downey, D.B. (see Rankin, R.N.)

Driscoll, M.O. Radiologic anatomy. [Software Review] 1995;22(1):20.

Evans, L.A.; Brown, J.F.; Heestand, D.E. Incorporating computer-based learning in a medical school environment. [Journal Article] 1994;21(1):10-7.

Guth, J. Where angels dare. [Audiovisual Review] 1995; 22(3):18-9.

Heestand, D.E. A time to rethink the journal. [Journal Article] 1995;22(1):18-9.

Heestand, D.E. (see Evans, L.A.)

Heestand, D.E.; Hoffman, H.M. IMED: The development of a consortium. [Journal Article] 1995;22(1):2-6.

Hoffman, H.; Irwin, A.; Ligon, R.; Murray, M.; Tohsaku, C. Virtual reality-multimedia synthesis: Next-generation learning environments for medical education. [Journal Article] 1995;22(3):2-7.

Hoffman, H.M. (see Heestand, D.E.)

Hood, A.F. (see Sneiderman, C.A.)

Irwin, A. (see Hoffman, H.)

Jessup, M. E. Reaching higher ground. [Journal Article] 1995;22(2):8-9.

Karnoscak, B. HIV & AIDS: An update to the best-selling film, "About AIDS." [Audiovisual Review] 1995;22(2):18-9.

Ligon, R. (see Hoffman, H.)

Linton, A.M. Assessment of the respiratory system. [Software Review] 1995;22(1):22-3.

Locatis, C. Deciding among interactive multimedia technologies. [Journal Article] 1995;22(2):2-7.

Lynch, P.J. Visual design for the user interface, Part 1: Design fundamentals. [Journal Article] 1994;21(1):22-30.

Lynch, P.J. Visual design for the user interface, Part 2: Graphics in the interface. [Journal Article] 1994;21(2): 6-15.

Marino, E.J. Project S.A.F.E.T.Y. for middle school science: Sun awareness for educating Texas youth. [Audiovisual Review] 1995;22(1):20-2.

McBride, J.M. Physician usage of the computer to access a hospital information system. [Journal Article] 1994; 21 (3):2-7.

Morton, R. Communication in medical education: The future for specialist services. [Journal Article] 1995;22 (3):8-11.

Mount, K.N.; Daugherty, J. Professional representation and the free-lance medical illustrator. [Journal Article] 1994; 21(4):22-30.

Murray, M. (see Hoffman, H.)

Myers, R. Pacemakers. [Audiovisual Review] 1995;22(1):23.

Newman, G. Serving the real need. [Journal Article] 1994; 21 (3):8-9.

Patterson, J.W. (see Sneiderman, C.A.)

Petraglia, J. Mediated realism and the representation of a health care controversy. [Journal Article] 1994;21(3):10-7.

Petro, B.A. RSV: A seasonal dilemma. [Audiovisual Review] 1995;22(3):18.

Pomeroy, E.; Detweiler, M. Compact disc interactive (CD-i) multimedia project. [Journal Article] 1995;22(1):7-13.

Rankin, R.N.; Downey, D.B.; Rutt, B.K.; Rankin, R.N. Poster production by color laser imager. [Journal Article] 1994;21(3):22-4.

Rutt, B.K. (see Rankin, R.N.)

Sneiderman, C.A.; Hood, A.F.; Patterson, J.W. Evaluation of an interactive computer video tutorial on malignant melanoma. [Journal Article] 1994;21(2):2-5.

Spencer, T. Treating urinary incontinence: A guide to behavioral methods for parents and caregivers. [Audiovisual Review] 1995;22(2):19-20.

Stein, D. Quality improvement in the biomedical communications audio visual unit. [Journal Article] 1994;21(4): 2-7.

Tohsaku, C. (see Hoffman, H.)

Alphabetical by Subject

ACQUIRED IMMUNODEFICIENCY SYNDROME
Karnoscak, B. HIV & AIDS: An update to the best-selling film, "About AIDS." [Audiovisual Review] 1995;22(2):18-9.

ADOLESCENCE
Petraglia, J. Mediated realism and the representation of a health care controversy. [Journal Article] 1994;21(3):10-7.

ADULT
Petraglia, J. Mediated realism and the representation of a health care controversy. [Journal Article] 1994;21(3):10-7.

AGE FACTORS
McBride, J.M. Physician usage of the computer to access a hospital information system. [Journal Article] 1994; 21 (3):2-7.

ANATOMY
Cody, J. Painting anatomy on anatomy. [Journal Article] 1995;22(2):14-7.

Jaramillo, R.; Barabe, J.G.; Cupp, D. Promoting prosthetics in the Latino community. [Journal Article] 1995;22(3): 18-23.

ANATOMY, REGIONAL
Driscoll, M.O. Radiologic anatomy. [Software Review] 1995;22(1):20.

ATTITUDE
Evans, L.A.; Brown, J.F.; Heestand, D.E. Incorporating computer-based learning in a medical school environment. [Journal Article] 1994;21(1):10-7.

Petraglia, J. Mediated realism and the representation of a health care controversy. [Journal Article] 1994;21(3):10-7.

Sneiderman, C.A.; Hood, A.F.; Patterson, J.W. Evaluation of an interactive computer video tutorial on malignant melanoma. [Journal Article] 1994;21(2):2-5.

AUDIOVISUAL AIDS
Benschoter, R.A. Can the biomedical communications unit survive? [Journal Article] 1994;21(1):7-9.

Locatis, C. Deciding among interactive multimedia technologies. [Journal Article] 1995;22(2):2-7.

Lynch, P.J. Visual design for the user interface, Part 1: Design fundamentals. [Journal Article] 1994;21(1):22-30.

Lynch, P.J. Visual design for the user interface, Part 2: Graphics in the interface. [Journal Article] 1994;21(2): 6-15.

Morton, R. Communication in medical education: The future for specialist services. [Journal Article] 1995;22 (3):8-11.

Rankin, R.N.; Downey, D.B.; Rutt, B.K.; Rankin, R.N. Poster production by color laser imager. [Journal Article] 1994;21(3): 22-4.

Stein, D. Quality improvement in the biomedical communications audio visual unit. [Journal Article] 1994;21(4): 2-7.

BEHAVIOR THERAPY
Spencer, T. Treating urinary incontinence: A guide to behavioral methods for parents and caregivers. [Audiovisual Review] 1995;22(2):19-20.

CALIFORNIA
Heestand, D.E.; Hoffman, H.M. IMED: The development of a consortium. [Journal Article] 1995;22(1):2-6.

CERVIX NEOPLASMS
Pomeroy, E.; Detweiler, M. Compact disc interactive (CD-i) multimedia project. [Journal Article] 1995;22(1):7-13.

CHILD ABUSE, SEXUAL
Guth, J. Where angels dare. [Audiovisual Review] 1995;22 (3):18-9.

COMMUNICATION
Benschoter, R.A. Can the biomedical communications unit survive? [Journal Article] 1994;21(1):7-9.

Boutwell, W.B. Theory-based approaches for improving biomedical communications. [Journal Article] 1994;21(1):2-6.

Heestand, D.E. A time to rethink the journal. [Journal Article] 1995; 22(1):18-9.

Jessup, M.E. Reaching higher ground. [Journal Article] 1995;22 (2):8-9.

Morton, R. Communication in medical education: The future for specialist services. [Journal Article]1995;22(3): 8-11.

Newman, G. Serving the real need. [Journal Article] 1994;21(3):8-9.

COMPACT DISKS
Pomeroy, E.; Detweiler, M. Compact disc interactive (CD-i) multimedia project. [Journal Article] 1995;22(1):7-13.

COMPUTER GRAPHICS
Lynch, P.J. Visual design for the user interface, Part 1: Design fundamentals. [Journal Article] 1994;21(1):22-30.

Lynch, P.J. Visual design for the user interface, Part 2: Graphics in the interface. [Journal Article] 1994;21(2): 6-15.

COMPUTER SIMULATION
Hoffman, H.; Irwin, A.; Ligon, R.; Murray, M.; Tohsaku, C. Virtual reality-multimedia synthesis: Next-generation learning environments for medical education. [Journal Article] 1995;22(3):2-7.

COMPUTER SYSTEMS
Sneiderman, C.A.; Hood, A.F.; Patterson, J.W. Evaluation of an interactive computer video tutorial on malignant melanoma. [Journal Article] 1994;21(2):2-5.

COMPUTER TERMINALS
Lynch, P.J. Visual design for the user interface, Part 2: Graphics in the interface. [Journal Article] 1994;21(2): 6-15.

COMPUTER USER TRAINING
Evans, L.A.; Brown, J.F.; Heestand, D.E. Incorporating computer-based learning in a medical school environment. [Journal Article] 1994;21(1):10-7.

COMPUTER-ASSISTED INSTRUCTION
Bader, S.A. Seize the day. [Journal Article] 1994;21(4):8-9.

Evans, L.A.; Brown, J.F.; Heestand, D.E. Incorporating computer-based learning in a medical school environment. [Journal Article] 1994;21(1):10-7.

Heestand, D.E.; Hoffman, H.M. IMED: The development of a consortium. [Journal Article] 1995;22(1):2-6.
